SAUNA

saas sauna+

FIN Valaisimen keilan säädöllä voidaan hallita valokeilojen avautumista pinnalla. Kaventamalla keiloja saadaan valon ja varjon välinen upea kokonaisuus. Leventämällä keilaa saadaan hillitympi tasainen ja rauhoittava valokokonaisuus. **SWE** Genom att justera armatursens ljusstråle kan ljusets spridning på ytan regleras. Begränsningen av ljuskägorna skapar en fin kombination av ljus och skugga. Genom att utvidga ljuskäglan erhålls en mer dämpad, jämn och lugnande belysningshelhet. **ENG** Adjusting the beam of the fixture can control the output of the beam onto the surface. By narrowing the beams, a wonderful combination of light and shadow is achieved. Widening the beam creates a more understated even and soothing light entity.

saas blaze pivot

FIN saas blaze pivot yhdistää ensiluokkaisen optiikan ja valonlähteen. Valaisimen kapeampi optiikka korostaa kohdistettuna yksityiskohtia ja laajemmalla optiikalla saadaan tiloihin dynaamisia valaistuskokonaisuuksia. Valaisimet on helppo asentaa ilman liitäntään tarvittavia työkaluja. **SWE** saas blaze pivot kombinerar en högklassig optik med en ljuskälla som är riktbar och kan betona detaljer, samt skapa en mer dynamisk ljusbild i ett utrymme. Armaturen är lätt att installera och kopplingen kräver inga verktyg. **ENG** The saas blaze pivot combines first class optics and light source. Light can be targeted with narrow lens in one direction to highlight objects or create dynamic effects by using wider lens. The fixtures are easy to install with no tools needed for the connection.

saas blaze stair

FIN saas blaze stair -valaisin sopii täydellisesti sekä portaisiin, kattoon että seiniin. Piilotetun valonlähteen ansiosta häikäisy on minimoitu ja samalla se kohdistaa valon alaspäin valaisemaan kulkua. IP65-luokituksen ansiosta tämä valaisin toimii täydellisesti myös ulkotiloissa. **SWE** Saas blaze stair är den perfekta armaturen för både trappor, tak, och väggar. Med sin gömda ljuskälla begränsas bländnings effekten samtidigt som ljuset fokuseras neråt för att lysa upp trapporna. Saas blaze är klassad som IP65 vilket gör den perfekt även för utomhusbruk. **ENG** The saas blaze stair is the perfect fixture for both your stairs, ceilings, and walls. With its hidden light source, the glare is limited while at the same time focusing the light downwards to illuminate your path. With its IP65 rating this fixture also works perfectly in outdoor environments.

saas blaze handrail

FIN Saas blaze handrail on uusi tulokas blaze-tuoteperheeseen. Tämä valaisin toimii erittäin hyvin kaiteissa ja antaa enemmän keskitetyn valon verrattuna led nauhaan. Vakiolinssin lisäksi löytyy asymmetrinen ja opaali vaihtoehto. Blaze handrailiin on myynnissä lisäosa jotta sen pystyy asentamaan myös pyöreisiin kaiteisiin. **SWE** Saas blaze handrail är den perfekta armaturen att integrera i ledstänger. I jämförelse med ett ledband ger blaze handrail en mer fokuserad ljusbild. Som alternativ till standardlinsen erbjuds även asymmetrisk och opal lens. En accessoar som möjliggör installation i runda ledstänger går också att beställa. **ENG** The saas blaze handrail is one of our newest additions to the blaze-family. As the name suggests, it's perfect for integration into handrails. Compared to a profile light, this fixture gives a more focused light. In addition to the regular lens there are asymmetrical and opal options available. An installation accessory that lets you install the fixture in round handrails is also available.

saas shepherd

saas shepherd

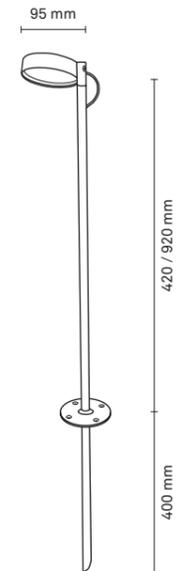

FIN Shepherd on Mikko Paakkasen suunnittelema ulkovalaisin. Mattamusta väri, korkealaatuinen LED ja muoto tekee tästä valaisimesta tyylikkään luomuksen sekä pihalle että terassille. **SWE** Shepherd är en armatur för utomhusbruk designad av Mikko Paakkanen. Med sin mattsvarta färg och kvalitets LED blir denna snygga armatur en naturlig partner i din trädgård eller på din terrass. **ENG** The Shepherd is an outdoor light designed by Mikko Paakkanen. With its matte black color and high quality LED it becomes a stylish partner for your garden or terrace.
